ROBOTIC PROGRAM 3rd-5th Grade

WEDNESDAYS, January 18 – April 12.

Cost for 16 week program is \$130.00. (\$8/week)

90 minutes class

3:30-5:00 pm

The program fee includes usage of 1 Lego construction kit for 2 students. Lego kit remains at school.

Taught by Mrs. Miller in the WOLCS Tech Lab.

“Develop your child’s competencies through hands-on projects covering key science topics such as physical-, life-, earth- and space sciences, engineering and technology. Improve problem solving, critical thinking, communication, collaboration, and integrate the use of relevant 21 century digital tools.”

Detach and return to homeroom teacher

Yes I am interested in signing up my child for the Lego Robotics Class

Parent Name _____ Student Name _____ Teacher _____

I understand I will be billed a one time fee of \$130.00 in Renweb

I understand I will be billed for additional daycare in the event I do not pick up my child at 5:00pm.
